Dear <AUTHOR>,

I really liked your photograph entitled <TITLE>!

I'd love to use it in a project I'm involved with, called PKUinfo, so I'm seeking your permission. PKUinfo is the first italian wiki about phenylketonuria (PKU). The wiki is hosted by a open community (roughly, "community" ...), a non-profit and ads-free community about pku, from Italy and abroad.

I'd like to include your photo in this article http://www.pkuinfo.it/RELEVANT_PAGE.

We can only use your materials if you are willing to grant permission for this under the terms of the GNU Free Documentation License. The license expressly protects authors "from being considered responsible for modifications made by others" while ensuring that authors get credit for their work. If you agree, we will credit you for your work in the resulting article's references section by stating that it was based on your work and is used with your permission, and by providing a web link back to:

Thank you for your time; I look forward to your response.
